

# 'TORAY'

Innovation by Chemistry

## FISHING LINE LINEUP

## Excellent Fluorocarbon

- 100% Fluorocarbon Line
- Excellent Castability
- Great Suppleness
- Highest Strength Fluoro Carbon
- Reduced Line Memory allows smooth Flow-off

## BAWO Up Grade FF1008016 Fluorocarbon

- 100% Fluorocarbon Line
- Most suitable for lure fishing
- Using Toray Bawo Technology
- Specially Blended Polymer gives Highest strength, Great Abrasion Resistance and Great Durability

DIAMETER(MM)	0.156	0.176	0.198	0.219	0.232	0.259

## Super Strong Nylon

- 100% Nylon Line
- Water Repellent Finish for Higher Durability and Smooth Flow-off
- Wide Variety of Sizes
